

Avgangsutstillingen

Kunstakademiet, Oslo

The Degree Show

The National Academy of Fine Art, Oslo

2009

The academy of Fine Art in Oslo was founded 100 years ago by Christian Krohg. In the spirit of some of the values that defined the Academy then, as now, we have put together a self-organized energetic show, we hope it will kick start the academy's next hundred years in Oslo.

100 years
